Last year there were so many people who wanted to join this education, so some of them did not get this opportunity.

In a meeting in “Flatanger hovedutvalg for oppvekst og kultur” they decided following priorities among those who have no right to this education:

1. Parents with children in kindergarten or at school.
2. New inhabitants who have been officially registered in Flatanger kommune.

First lesson will be:

Wednesday 29.08.2012 at Lauvsnes school from 18.00-20.15.
